SC Court of Appeals

Attia Elbadawy, Appellant,

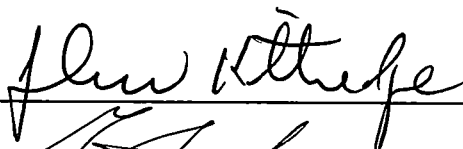

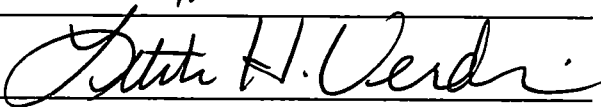

v.

Dorchester County and D.R. Horton, Inc., Respondents.

Appellate Case No. 2026-001735

ORDER

Appellant moves to certify Appellate Case No. 2026-001187 to this Court pursuant to Rule 204(b), SCACR, and to consolidate it with Appellate Case No. 2025-001299. The motions for certification and consolidation of the appeals are denied. We deny as moot the request for a stay, as the cases are already being held in abeyance by the court of appeals. Because the court of appeals will retain jurisdiction of these appeals, all other requests must be directed to the court of appeals.
