Dear Clerk Kitchings:

Good morning.

I respectfully follow up regarding the Appellants' Motion for Extension of Time to Serve Record on Appeal and File Proof of Service, transmitted electronically to the South Carolina Court of Appeals on **October 13, 2026, at 4:30 p.m.**

The original submission included the complete motion, supporting notarized affidavit, and Certificate of Service. Counsel for Respondent, including Chad Burgess, Clark Dawson, Brook Dangerfield, and Kevin Brown, were copied on that correspondence.

Appellate Case No.: 2026-001103

Lower Court Case No.: 2024-CP-32-01094

As indicated in yesterday's submission, the \$50 motion filing fee is being handled separately by money order, accompanied by a cover letter identifying this case.

Because the current deadline for serving the Record on Appeal is **today, October 14, 2026**, Appellants respectfully request confirmation that the motion was received and accepted for filing.

If available, we would also appreciate confirmation of whether the motion has been docketed or presented for consideration, and whether any additional procedural requirements remain outstanding.

We recognize that submitting the motion does not itself extend the existing deadline, and we continue our efforts to complete the appellate record while awaiting the Court's determination.

Thank you for your time and consideration.

Respectfully submitted,

Mark Anthony Nunnally
