Re: Willie Anderson v. State
Appellate Case No. 2013-002724
Lower Court Case No. 2010-CP-14-00672

Dear Mr. Anderson:

This Court has received your notice of appeal in the above post-conviction relief case, and the case has been assigned the appellate case number that appears above. Please use this number on all future correspondence relating to this matter.

All parties to this matter are advised that all filings must comply with the requirements of Rule 267 of the South Carolina Appellate Court Rules (SCACR). The SCACR are available online at www.sccourts.org/courtreg. Additionally, any filings submitted by counsel admitted in South Carolina must include counsel's bar number.

The attention of the parties is directed to the order relating to the inclusion of personal data identifiers and other sensitive information in documents filed with the Supreme Court of South Carolina and the South Carolina Court of Appeals. The order can be found at www.sccourts.org/courtOrders/HTMLFiles/2007-08-13-02.htm. Please note that the responsibility for insuring that information is redacted or sealed as required by this order rests with counsel and the parties. This office will *not* review filings for redaction or to determine if materials should be sealed.

This is to advise that the title of this matter will be:

Willie M. Anderson, Petitioner,

v.

State of South Carolina, Respondent.

All future filings in this matter should use this case title. I note that this office has obtained a copy of the conditional and final orders issued in this PCR case from the Office of the Attorney General.

Finally, for this matter to proceed, you will need to provide the following documents to this Court *within twenty (20) days of the date of this letter*:

- (1) A proof of service showing that the notice of appeal has been timely served on the opposing counsel in this PCR case. The proof of service should be substantially the format shown in the attached form.
- (2) A written statement of the date on which you received written notice of entry of the final order dated November 10, 2011.
- (3) Since the order of the circuit court determined that this action is barred as being successive and as being untimely under the statute of limitations, the written explanation required by Rule 243(c), SCACR. This explanation must contain sufficient facts, argument and citation to legal authority to show that there is an arguable basis for asserting that the determination by the lower court was improper. The failure to make a sufficient showing may result in the dismissal of this matter.

Very truly yours,

CLERK
