The South Carolina Court of Appeals

Sheena Paige, Appellant,

v.

State of South Carolina, Respondent.

Appellate Case No. 2026-001592

ORDER

This appeal was remanded to the circuit court for the limited purpose of ruling on a pending motion. Appellant filed a motion asking for the September 23, 2026 order ruling on the motion to be made part of the record on appeal. We construe this as a motion to amend the notice of appeal, and after careful consideration, the motion is granted.

Appellant also filed a motion for an express ruling on issues presented in her motion for reconsideration that were not addressed in the circuit court's order denying reconsideration. The motion is denied; however, nothing in this order prevents Appellant from raising these issues in her brief. *See Palmetto Wildlife Extractors, LLC v. Ludy*, 435 S.C. 690, 704-05, 869 S.E.2d 859, 867 (Ct. App. 2022) (noting an issue that was properly raised in a Rule 59(e), SCRCP motion is preserved even if the trial court does not specifically rule on the issue so raised).

This appeal is no longer held in abeyance. Appellant must provide proof of having ordered the transcript as required by Rule 207, SCACR, within 10 days of the date of this order to prevent dismissal of the appeal.
