To Whom It May Concern:

I am asking the court to pause the enforcement while the challenge is pending due to not formally being served correctly and receiving proper documentation. Also to include money order and mail missing sent to the address provided to the court. However employee misconduct and communication has played a role in this as well. I have requested receipts for fees paid to the court and waiting on that documentation attached.

Thanks,
Shasha Rawlinson

Hello,

I would like to obtain receipts for fees for case 2026-000980 that was paid to this court for my records. I also had money orders that were paid for fees in the mail that has not been received and missing as well. Thanks for your attention with this matter.

Respectfully,

Shasha Rawlinson
