Hi, I received the attached notice of appeal. Can you please provide me with the status of the case?

Please e-file the notice of hearing/status conference/RTSC along with your certificate of service/mailling (personal service required for any RTSC and writs of assistance) at least **10 days** prior to the hearing. Hearings will be cancelled and rescheduled if the notice is not served and filed within the timeframe. Send notice to attorneys of record and pro se defendants unless otherwise instructed by the Court. Hearing documents must be filed at least 48 hours prior to the scheduled hearing. Call the office @ 803.576.1900 and/or fax all cancellations to 803.576.1865

The MIE does not employ a court reporter. Court reporters are required for contested cases **and/or** any matter where there is a possibility of live testimony. The moving party is responsible for obtaining the court reporter. Hearings will be cancelled and rescheduled if a court reporter is needed but not secured.

Kind regards,
