

To whoever this may concern
I Christopher Latrell Scott (Appellate Case
10 2026 - 002113) want to accept to exercise
my right to appeal of this case what I
don't understand is I had this case dismissed
at pre lim already I was on a Scram ankle
monitor for 3 years had a paid lawyer Mathis
Chaplin that went blind and couldn't represent
me anymore so I had to take him off my case
I didn't get my money back tried to contact
many times so I had to get a public defender
because I wasn't working due to my injuries
I was serve a direct indictment in 2022 at general
sessions court I was given a pr bond by
Judge Newson he said if the Solicitor Couldn't
come up with better evidence to prove I was
impaired to drive the case would be dismissed
I been waiting 6 years for a trial date J. E
Fox is the 3rd lawyer on this case he only

1 month maybe 2 I believe I was not
represented right by J E Fox I wanted a
trial With Judge Newson Fox Convince me I
have a better chance in front of a Judge he
knew that he would set up a meeting he lied
when he called me saying I need to come down
for finger printing Can I be there by 1:30
I called my parents and bring my child's mom
with me to find out he wanted me to take a
plea if not I would get the max 15 years
I said I'll take the trial and I would get
another lawyer he said it best I take the
plea I have a high chance of getting probation
I was confused nervous Scared for my life
He didn't say much on my behalf he didn't mention
This charge was dismissed at pre lim the 3
years I been on the leg monitor to get me
any time credit I didn't understand what
was goin on cause I never had a felony
