

The South Carolina Court of Appeals

The State, Respondent,

v.

Phillip Charles Reeves, Appellant.

Appellate Case No. 2026-001939

ORDER

After careful consideration of Appellant's September 11, 2026 filing, which the court construes as a petition to rehear the dismissal, the court is unable to discover that any material fact or principle of law has been either overlooked or disregarded, and hence, there is no basis for granting a rehearing. Accordingly, the petition for rehearing is denied.
