Re: Marie Middleton, Appellant vs. Wilson Walpole, Respondent
Case No.: 2026-001780

Dear Ms. Kitchings:

On August 17, 2026, the transcript of the proceedings in this case was ordered. On October 12, 2026, the Office of Court Administration granted a thirty (30) day extension.

As of this day, appellant has not received the transcript from the court reporter or any sort of acknowledgement that the transcript request was made. Communication with a court reporter has indicated the email address where to request transcripts is not being monitored as the person who monitored it no longer works there and that new cases have not been assigned out in weeks. I will continue to follow-up via email and telephone.

Sincerely,

Marie Middleton
