Re: Jason J. Collins v. American Legion
Appellate Case No. 2026-002272

Dear Mr. Collins:

Upon reviewing your attempt to correct the deficiencies outlined in this Court's letter dated October 16, 2026, and your transcript request filed on October 16, 2026, the following deficiencies have been noted under the South Carolina Appellate Court Rules (SCACR), and any deficiency must be corrected within ten (10) days of the date of this letter or this matter will be dismissed. This is the Court's second request for this correction:

- You must serve and file a proof of service substantially in the format shown by Form 7 in Appendix C to part II of the SCACR. Specifically, you must provide proof of service showing that a copy has been served on the respondents' counsel.
- The notice of appeal is not in the proper format. Specifically, the caption on the notice of appeal cannot contain "et al." Appellant must serve and file an amended notice of appeal to include a full caption that identifies all of the appellants and respondents.

Very truly yours,

Handwritten signature in blue ink, reading "Catherine J. Ammin, deputy". The signature is fluid and cursive, with the first name "Catherine" and last name "Ammin" clearly legible, followed by "deputy" in a smaller, less distinct script.

CLERK
