Re: Lauren Chambers Tracy v. Elijah Osama Mustafa
Appellate Case No. 2025-000403
Response to Scheduling Conflict Letter dated October 5, 2026

Dear Ms. Kitchings:

I write in response to the Court's letter of October 5, 2026, regarding possible oral argument in the above matter during the February 2027 term.

I do not have a conflict with any of the listed dates standing alone. I ask the Court to consider, however, that I am counsel of record in two other matters that may be scheduled for the February 2027 term: Balfour Beatty Construction, LLC v. Low Country Case & Millwork, Inc., Appellate Case No. 2024-000788, and Kachmarsky v. Taylor, Appellate Case No. 2025-001384. I have sent separate letters in those cases today.

I therefore respectfully request that, if this case is selected for oral argument, it be scheduled on February 1, 2, 3, or 4, 2027, and in any event not on the same day as either of the other two matters, so that the arguments are as far apart as the Court's calendar permits and I have adequate time to prepare for each.

Thank you for your consideration. All counsel of record are copied on this letter. If the Court has any questions, please do not hesitate to contact me directly.

Sincerely,

s/ Jesse Sanchez
