Appellant Angela Woodhull, ***pro se***, respectfully moves this Honorable Court pursuant to the South Carolina Appellate Court Rules for an order permitting her to order the trial transcript outside of the deadlines set forth in Rule 207, SCACR. In support of this motion, Appellant states as follows:

1. On October 15, 2027, the Court issued a notice reflecting that the time for ordering the transcript had expired and directing Appellant to advise the Court of the transcript status within ten (10) days.

2. Appellant did not timely order the transcript due to **I was told in writing by the Magistrate Court, when I requested a transcript, that the hearing from April 6,**

**2026 was not recorded, so I assumed the same of the Court of Common Pleas at the August 6, 2026 hearing**.

3. Appellant has cured this oversight by formally requesting and ordering the transcript from the official court reporter. A copy of the written request to the court reporter is attached hereto as Exhibit A.

4. Respondent JEFFREY MICHAEL GEORGE has been served with a copy of this motion.

WHEREFORE, Appellant respectfully requests that this Court grant her permission to order the transcript outside of the Rule 207 deadlines and allow this appeal to proceed.
