Dear Transcript Department:

I am writing for the fourth time to follow up regarding the outstanding transcript of the April 1, 2026 hearing in Richard Bowman v. Cosima MacLean, Beaufort County Circuit Court Case No. 2024-CP-07-01039, currently pending before the South Carolina Court of Appeals as Case No. 2026-001128.

My former attorney, Darrell T. Johnson, Jr., originally requested this transcript on May 15, 2026, and updated that request on May 22, 2026, under Transcript Request No. 1835370331.

Despite my repeated written inquiries, including another email sent earlier today, October 19, 2026, I have not received the transcript or definitive written confirmation regarding its payment, preparation, or delivery status.

On October 16, 2026, the South Carolina Court of Appeals issued an order denying the Respondent's Motion to Dismiss but directing me to provide proof of satisfactory written arrangements, including payment arrangements, for the February 4 and April 1, 2026 hearing transcripts within ten days.

The deadline for compliance is October 26, 2026.

I have already submitted a new request for the February 4 hearing transcript, Request No. 1784003095, and received an estimate from court reporter Pamela E. Green. I am actively working to finalize those payment arrangements.

However, the April 1 transcript remains unresolved.

I respectfully request an immediate written response confirming:

1. The name and email address of the reporter or transcriptionist assigned to the April 1 transcript.
2. Whether the original request remains active.
3. Whether my former attorney made payment arrangements or paid for the transcript.
4. Whether the transcript has been completed or delivered to anyone.
5. If payment remains outstanding, the amount due and instructions for completing payment arrangements immediately.
6. The estimated cost and delivery time for both regular and expedited preparation.
7. Whether the existing request can be transferred to me as the self-represented appellant without creating a duplicate order.

I am ready and willing to complete any outstanding arrangements immediately.

I respectfully ask that this matter be given urgent attention, as the lack of confirmation concerning this transcript directly affects my ability to satisfy the Court of Appeals' order.

I have copied the Clerk of the Court of Appeals to maintain a written record of my continuing efforts to comply with the Court's directive.

Please respond directly to my current email address, Anwalthelfen@pm.me.

Thank you for your immediate attention.

Respectfully,

Richard Bowman

Dear Ms. Green,

Thank you for providing the transcript pricing and delivery options.

I understand that the cost for delivery within 7 calendar days is $232.00, while the cost for regular delivery is $136.00. Please confirm what the normal delivery timeframe is for the $136.00 rate and whether the transcript would be delivered within 14 or 30 calendar days after payment is received.

I can make payment through Zelle. Please provide the necessary payment information and confirm the final amount due for the 7-day delivery option so I can proceed promptly.

I would also appreciate written confirmation once payment arrangements are established, as I must provide documentation to the Court of Appeals by October 26, 2026.

Thank you again for your prompt assistance.

Respectfully,

Richard Bowman

Dear Ms. Green:

Thank you for your prompt response and for providing the estimated cost of $136.00 for approximately 32 pages of the February 4, 2026 hearing transcript.

Before confirming my delivery preference, I would appreciate clarification regarding the costs and delivery times for both options.

Specifically, could you please confirm:

1. Regular Delivery: Is the estimated cost $136.00, with delivery within 60 days of payment or confirmation of the order?
2. Expedited Delivery: What would the estimated total cost be, and how many business days would delivery take?
3. Payment: What payment methods are accepted, and when would payment be required?
4. Production Schedule: Would the delivery period begin upon receipt of payment, or when the transcript is placed into production?

I am prepared to proceed promptly once I understand the costs and anticipated delivery dates.

As you know, my appeal is pending before the South Carolina Court of Appeals, Case No. 2026-001128. The Court has required documentation of satisfactory transcript and payment arrangements by October 26, 2026.

I would appreciate your response at your earliest convenience so that I can make an informed decision and complete the necessary arrangements before that deadline.

Thank you again for your assistance.

Respectfully,

Richard Bowman
