

The South Carolina Court of Appeals

The State, Respondent,

v.

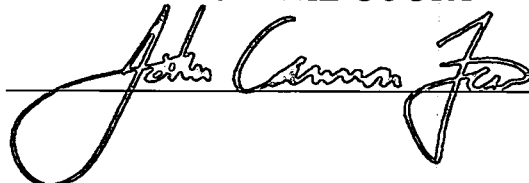

Demario J. Jackson, Appellant.

Appellate Case No. 2013-001025

ORDER

Appellant's initial brief and designation of matter were due to be filed on January 3, 2014. On the due date, Appellant requested an additional ten days in which to file the initial brief and designation of matter. The court received the motion on January 8, 2014. If the motion were granted, Appellant's brief and designation of matter would have been due January 13, 2014. We are concerned with what appears to be an inadequate explanation of the extraordinary circumstances that would necessitate this extension. Furthermore, the court has yet to receive Appellant's initial brief and designation of matter as of January 17, 2014. Nevertheless, we will consider a motion to file Appellant's Initial Brief and Designation of Matter out of time as long as it is received within 15 days of this order.
