IMPORTANT FILING NOTE

The Supreme Court and Court of Appeals copies must be filed with the respective clerks as required by Rule 242(c), SCACR. The lower-court copy is for courtesy/record purposes and does not substitute for filing with either appellate clerk. Complete the date and method in the Certificate of Service only after actually serving opposing counsel. Confirm the applicable Rule 242 deadline and filing procedure with the appellate clerks immediately; this document does not establish that the petition is timely or that every question is preserved.
