S.C. SUPREME COURT

Dear Patricia Howard,

On 1/16/26, After receiving your letter concerning a pro-se response to a Johns brief that counsel filed (Ashley Mc Mahan), I reiterated the fact that I wanted the pro se brief I filed on 9/17/25 Green v State of South Carolina case no 2025-000800, USPS tracking number # 9488-8090-0027-6238-0146-52 utilized as my response brief. I never received any correspondence on whether this request was granted so I assume it was accepted, but after further inquiry with the clerks in the law library I was told to write this letter and request a clocked stamped copy of this letter and a written response to assure my efforts were not in vain and to verify that I did file a brief on my own behalf for future litigation. The brief was filed on 9/17/25 as previously stated and according to correspondence a copy was sent to Ms. Mc Mahan on 9/19/25 so the pro-se brief should be in the record but wasn't included in her appendix. The case was transferred to the Court of appeals after this request and I'm trying to make sure the record sent to the court of appeals was complete so the magistrate can thoroughly review the errors presented.
