The South Carolina Court of Appeals

Jorge Rodriguez, Petitioner,

v.

State of South Carolina, Respondent.

Appellate Case No. 2025-001507

ORDER

Appellant filed an "affidavit of facts giving judicial notice; memorandum in support of motion to relieve conflict counsel and appoint substitute conflict-free counsel pursuant to S.C.A.C.R., Rule 602 and Rule 608." Appellant sought to have the South Carolina Commission on Indigent Defense (SCCID), Division of Appellate Defense attorney Chandler Norville relieved as counsel in this appeal. On October 14, 2026, SCCID notified this court that attorney Norville accepted another position and SCCID attorney Katherine H. Hudgins was reassigned to this appeal. After careful consideration, this court denies Appellants motion as new counsel has been reassigned to the case. This appeal is no longer held in abeyance.
