**Re: Randy Yonson v. State**  
**Appellate Case No. 2013-002653**

Dear Sir or Madam,

On behalf of Mr. Yonson, I would respectfully request a 30 day extension to order the transcripts in the above referenced case.

Originally my office was retained by Mr. Yonson's family to represent him on his Post Conviction Relief action. However, we were not retained to appeal the matter if we were unsuccessful in the Court of Common Pleas. Upon filing a notice of appeal for Mr. Yonson we forwarded the matter to the Office of Appellate Defense. This week we were notified that Mr. Yonson would be required to submit an affidavit of indigency in order for their office to represent Mr. Yonson.

Therefore, we ask that the Court grant a 30 day extension to order the transcripts in the above reference case.

Sincerely,

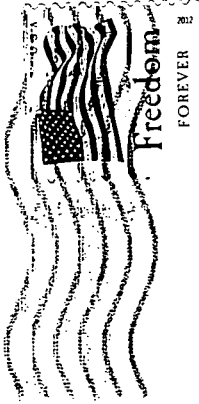

Debra Y. Chapman
