SC Court of Appeals

Motion to Extend Record on Appeal and Final Brief beyond the upcoming deadlines.

Motion to Extend Record on Appeal beyond the upcoming deadline in order to obtain vital records that is sufficient evidence to support the claims of the Appellant. There have been several instances where the records have been requested in the past without being released to the Appellant. The Appellant is in the process of going through the proper protocol and procedures to obtain the vital records that is an essential substantial part of sufficient evidence to prove that beyond a reasonable doubt that her claims are valid to furthermore prove the Abuse of Discretion, willful Violations, Procedural Errors, Professional Ethics, Legal Ethics, and Abuse of 14th Amendment throughout this entire claim process. Therefore, I request that the courts extend the time to properly gather reports, and facts.
