(On Appeal from the Court of Common Pleas for Horry County)
(Magistrate Court Case No.: 2025CV261095166)

Angela Woodhull,
Appellant-Landlord,
v.
Jeffrey Michael George,
Respondent-Tenant.

MOTION FOR LEAVE TO FILE AND SERVE DOCUMENTS ELECTRONICALLY

The Appellant, *pro se*, hereby moves this Honorable Court for an Order permitting electronic filing of all documents with the Court of Appeals and electronic service upon the Respondent, Jeffrey George. In support of this motion, Appellant respectfully shows the Court:

1. Appellant is 76 years old and is a self-represented (*pro se*) litigant before this Court.
2. Appellant suffers from severe, progressive physical disabilities. Appellant walks with a rollator with great difficulty and is extremely handicapped and suffers from extreme arthritis.
3. Appellant's medical providers and surgeons have recommended the total replacement of both knees and one hip. Due to Appellant's advanced age, Appellant has elected not to undergo these horrific, multiple life-endangering major procedures with extended recovery times.

4. Because of these physical handicaps, traditional paper filing and service impose an extraordinary, painful, and prohibitive physical burden. Compelling Appellant to travel to a FedEx or similar facility for photocopying, purchase physical envelopes, and drive to a United States Post Office to mail multiple paper copies places Appellant's health and safety at serious risk.
5. Pursuant to Rule 262 of the South Carolina Appellate Court Rules (SCACR) and the Court's orders governing electronic filing methods, this Court retains the authority to regulate and permit alternative filing methods to ensure access to justice.
6. Granting permission to file documents electronically via email to the Court of Appeals (at ctappfilings@sccourts.org) and to serve the Respondent, Jeffrey George, at his designated email address will cause no prejudice to any party and will ensure a fair opportunity for Appellant to litigate this matter.

WHEREFORE, Appellant respectfully requests that this Honorable Court grant this Motion and enter an Order allowing Appellant to file all future documents electronically with the Court and to serve all future documents electronically upon Respondent Jeffrey Michael George.

Respectfully submitted,

Dated: October ²⁰~~19~~, 2026
