Dear Clerk of Court:

In reference to Appellate Case No. 2026-002192 (Tony Williams v. Hearthstone Lakes HOA, et al.) and the Court's Second Deficiency Notice dated October 16, 2026:

Please be advised that Appellant's compliant Second Amended Notice of Appeal (formatted strictly in accordance with Form 1 without legal argument), accompanying Form 8, and Form 7 Proof of Service were previously transmitted via USPS Certified Mail and are currently in the possession of the Court/mail processing, though not yet posted to the public C-Track docket.

The docket entry dated 10/19/2026 reflects the delayed processing of an earlier mailing rather than the cured submission. To provide complete clarification, eliminate any docket ambiguity, and ensure timely electronic indexing prior to the October 26, 2026 deadline, a duplicate electronic copy of the compliant filing package is attached hereto.

Appellant respectfully requests that the docket and record be updated to reflect receipt and docketing of this compliant Second Amended Notice of Appeal curing all noted deficiencies.

Respectfully submitted,
