Dear Ms. Holmes:

I am writing to you regarding the trial transcript in the above-referenced matter. I made the request for transcription on 13 March 2026, and I have heard nothing since then. It was originally designated for expedited preparation, but I later confirmed with the court reporter that it could be produced in the normal course. I understand that transcription of criminal trials

take precedence and other cases may have been already in line for transcription. Since I have heard nothing, I just wanted to have some idea where this matter is in the transcription process.

With best regards,

Stephen P. Groves
