RE: In re: Application of Duke Energy Progress, LLC to Have the Terms of the Electric Rate Stabilization Adjustment Apply to the Company's Rates and Charges for Retail Electric Service
App. Case No. 2026-001614

Dear Ms. Howard:

Duke Energy Progress, LLC (DEP) appreciates the Court expediting the briefing schedule in its September 15, 2026 order given the statutory timeline at issue in this matter. *E.g.*, S.C. Code Ann. § 58-27-2790(A)(1) & (B) (requiring that the Commission issue a final order making any necessary changes to rates set in the initial order by December 31).

Under the Court's expedited briefing schedule, as confirmed in its October 16, 2026 order granting DEP's consent motion for leave to file an amended brief of petitioner, other parties were to file briefs 20 days after DEP filed its brief on October 1, 2026. Because no party filed a responsive brief by the October 21, 2026 deadline, DEP does not intend to file a reply brief. In DEP's view, the case is therefore ready for the Court's consideration.

Should the Court have questions or require additional information, please do not hesitate to contact me. Many thanks again for the Court's time and attention to this matter.

With highest regards, I remain

Respectfully yours,

/s/Vordman Carlisle Traywick, III
