Justice Toal,

Please find attached a short letter in response to Your Honor's October 2026 report to the Supreme Court regarding receiverships from the Asbestos Docket. Respectfully, the purpose of this letter is to correct a series of inaccuracies contained in that report that related to our clients, Mohed Altrad and Altrad Investment Authority. For Your Honor's reference, we are also attaching copies of amicus briefs that were filed with the U.S. Supreme Court in the *Tibbs* matter, as we understand that Your Honor has requested copies of filings in those proceedings. Additionally, for awareness, earlier this afternoon, the U.S. Supreme Court instructed the Receiver to respond to the petitions for certiorari review.

Because the October 2026 report was filed with the Supreme Court, we are filing this letter and its attachments with the Supreme Court as well so that the record is accurate and complete.

Finally, we are copying counsel to whom Mr. Conner circulated the October 2026 report so that they receive this submission, which we have also served via electronic filing in the *Tibbs* matter.

We appreciate the Court's consideration of the attached. Best regards,

Todd
