RE: Brief update - appeal 2026-002082

Dear Ms. McDonald and appeals specialist?

Since I had not received the detailed affidavit I requested from Ms. Turchetta regarding her (charitably speaking) contradictory statements of 11 and 12 Oct 2026, I sent a complaint to Mr. Blitch yesterday for him to look into these issues and hopefully actually find out what is going on. Several of the people copied below were also copied on the Blitch complaint.

At this point, given the severity of the differences between what Ms. Turchetta stated on 11 Nov 2026 and what she then stated like fifteen hours later on 12 Oct 2026, I have no reason to believe either of Ms. Turchetta's accounts about Maddox.

Also, as you might assume, I'm also growing even more concerned about how Matthew Buchanan came into possession of an unfiled order.

I'm quite busy for the next two weeks with other (but highly related) issues. If something serious comes to my attention between now and then, I will do my best to provide an update ASAP.

Regards,

Alan Nix
