Dear Ms. Garraud,

Thank you for your response and for confirming that Legal Eagle has been assigned to prepare the April 1, 2026 hearing transcript.

Before proceeding with the requested \$29.75 deposit, I would appreciate clarification regarding an earlier order for this same transcript.

My former attorney, Darrell T. Johnson, Jr., originally requested the April 1 hearing transcript on May 15, 2026, and updated that request on May 22, 2026.

Original Transcript Request No.: 1835370331

After numerous unsuccessful attempts to obtain information regarding that request, I submitted another order on October 20, 2026, to ensure compliance with the South Carolina Court of Appeals' October 16 order.

New Transcript Request No.: 2010527150

I respectfully request clarification on the following:

1. Has Legal Eagle received or reviewed the original May 2026 transcript request?
2. Was any payment or deposit made by my former attorney for the original transcript order?
3. If payment was previously made, can that amount be credited toward the current order?
4. Is Legal Eagle processing the original transcript request or the new October 20 request?
5. Would paying the \$29.75 deposit result in a duplicate payment for the same April 1 hearing transcript?
6. If Legal Eagle does not have access to the original payment records, could you please coordinate with the South Carolina Transcript Department to verify them?

I am fully prepared to proceed with payment once this issue is clarified. I do not wish to delay preparation of the transcript, but I also want to avoid paying twice for the same service.

Because the transcript is required for my pending appeal, I would appreciate your prompt written response and confirmation of the appropriate payment arrangements.

Thank you for your assistance.

Respectfully,

Richard Bowman
