Wells Fargo Bank, N.A.,
Michael Nourie, Attorney for Wells Fargo

Respondent,

REQUEST FOR EXTENSION

RECEIVED

SC Court of Appeals

Petitioner comes before this court to humbly request for a ten-day extension. I: Anna Seigler have completed the corrections of my petition but, I do not have the supporting evidence this court is requesting. The Judges Oath of Office, his BAR Card information, and other officers of the court. I have FOIA request out of Aiken Court and waiting on a response from them, with documents complete, excluding Oaths of Office for Judges and attorneys. I found out from the Clerk of Court the potential of delays on FOIA request is because these documents are not housed in Aiken County Courthouse since the judges are state employees according to the deputy clerk on 10/23/26. My understanding is I need to go to the Secretary of State of South Carolina.

Respectfully,
Anna Seigler
