Good morning Ms. Staley,

I argued this appeal at the circuit court level, and it was my understanding that if a defendant appeals to the Court of Appeals, then those cases are handled by a different prosecutor agency, such as the attorney generals. I was hoping to verify if either myself or someone from my office would be required to attend any related Court of Appeals issues in relation to this case.

If anything further is needed from me, please let me know.

Thank you,
