Dear Ms. Hopkins,

I am responding, on behalf of PCS Nitrogen, Inc. ("PCS"), to the South Carolina Supreme Court's January 15, 2014 Preliminary List letter. With regard to the potential oral argument dates set forth in that letter, one of the attorneys for PCS, John Williams, has a conflict on March 6, 2014 as he has been invited to attend a conference that day. All other counsel of record are available on the argument dates identified by the Court.

Pursuant to our conversation this afternoon, PCS requests that, if possible, oral argument, not be set for March 6, 18 and 19 as in house counsel for PCS has conflicts on those days.

Sincerely,

Sandra Kaczmarczyk
