Request To Proceed Informa Pauperis

I, Sabrina D Davis, am unable to pay the costs of filling and service in the present matter and request that the court waive the costs and allow me to proceed *in forma pauperis*. Under U.S. Federal Poverty Guidelines, Davis qualifies for assistance. Davis is a part-time deli clerk at Publix Supermarkets. As previously stated, this matter has dragged on for 13 years due to the process and procedures of the court system. It would be unfair to punish Davis for court procedures that are beyond her control. After all this Court itself took 1 year and 10 months to rule on Davis initial appeal. This long delay impacted Davis ability to refile her case. And now the Court of Common Pleas violated court rules, state law, and US Supreme Court precedent. This Court should not abuse its judicial power and try to take advantage of Davis financial situation by forcing her to pay a filing fee she cannot afford simply because they want a case to disappear.

.

Respectfully submitted,
