Re: The State v. Darius Ransom-Williams  
Appellate Case No. 2012-212566

Dear Counsel:

On December 11, 2013, the Court granted the appellant's motion for a remand to the circuit court for reconstruction of the record. Consistent with the order, the appellant has been providing regular updates regarding the status of the hearing in the circuit court. Simultaneously, the appellant has been filing motions requesting an extension of time to file the appellant's initial brief and designation of matter. Because of the order remanding the case for a reconstruction hearing, the appellant's initial brief and designation of matter are not due at this time. Accordingly, the appellant is requested to continue sending status updates every thirty days until the reconstruction hearing is complete. Upon receipt of notice of the completion of the reconstruction of the record, the Court shall set the due date for the appellant's initial brief and designation of matter.

Very truly yours,
