Re: Appellate Case No.: 2013-000960

Dear Ms. Jenny,

I'm writing this letter in reference to the above stated Appellate Case number. On November 25, 2013 I sent to you a Motion To Reinstate, Order being appealed/Reinstated, a Motion to proceed in forma pauperis from the \$25.00 filing fee and the notarized Proof of Service. On December 6, 2013 you sent me an letter stating that you found an deficiency in my motion to reinstate; the \$ 25.00 filing fee wasn't submitted and I had ten (10) days to send it. Well, thats why I sent the Motion to proceed in forma pauperis, Ma'am, because I am an indigent litigant and is unable to submit a \$ 25.00 filing fee.

I have copies of everything I send to you so if I need to submit another copy of the proof of service stating that I sent the motion to proceed in forma pauperis, I'll send another copy of that motion to you and another copy of that proof of service.
With best regards,
