I was also given a urine test by Nurse Hollis who informed me at the time it was for a liver function analysis. This was a lie she admitted to that evening. The urine test was for Lt. Phillips. The jail here is separate from K.C.S.O according to city council. You have the authority here, Not Lt. Phillips. I would like to see the search warrant that he presented at the time to confiscate my legal and personal items. I would like to see any documents that allow a detective or County jail employee to get a nurse to tell a detainee a lie in order to get body fluids for a detective, Especially on who is represented by counsel.

On Aug. 8. 2011 at KCDC Peggy Spivy did in fact conspire with Chris Phillips to bluff myself Gregory V. Smith with a photo copy of a urine test that passed with all three bars visible. She then allowed Phillips to enter F-pod to steal my personal belongings that were also drug free. It began when Nurse Hollis asked me for urine for a liver function analysis. I complied. % Whack then escorted me to the utility room next door and drew the shades. I had left urine on the nurses desk with no lid therefore breaking chain of custody.

I am writing to you so that perhaps you can shed some light on the events that followed. Lt. Chris Phillips uses dirty tricks to get whatever fictions he believes in. This isn't the first time he has bluffed me. He has stolen my property, my motion of discovery with all my plans on going to trial. ① he had no search warrant. ② He flashed a urine test copy that failed. Nurse Hollis told me that evening my urine was clean. ③ He also said that pot and carbitrates smuggled into your jail wasn't his concern, I'm not going to waste our time to go much further with that. I would like you to answer me one thing: May 28th 2011 I was brought to your jail from David Tyler's residence in a paper uniform that I recieved at the hospital after being "decontaminated". On two different times Brooks Hauser had mentioned that David Tyler was shaking and sweating, He went on to say that he turned on the AC in his cruiser to give Mr. Tyler some air. I noticed your name in the 911 report so I'm guessing you might have some idea what happened that day. Sheriff Matthews was one of the last people to wrestle with Mr. Tyler in the back of a cruiser. Man this is where you can give me some insight. Why didn't Mr. Tyler who was showing symptoms of cardiac arrest, go to the decontamination at the hospital, In short why did he die out front of your jail? When in fact he should have been →

taken to decontamination and then he might possibly be alive today. On 9-02-2011 Major Hodges requested my property to be returned. On 9-07-2011 Major Hodges informed me to write a letter concerning my personal effects. I did and I'm still awaiting an answer. I'm not asking for anything that isn't mine. Next I guess I'll need to go to SHED. I am filing a 1984 Fed. Civil a with the U.S. District Court. Mr. Tetterton and Mr. Phillips are done playing games with my life. Mr. Phillips needs to get his stories straight. He has informed me he is trying to plea bargain with the PA to get me a 15 year deal. I may have asked for law books but I know this is not the way the law works. Now we will need to find an answer to my question. Why David Tyler died in front of your jail and not at the hospital? who indeed made that call? I would like your help in my obtaining my property. Thank You Gregor.

On 12-05-11 I had made you aware that I needed two papers notarized. On 12-08-11 the papers in question were signed and transferred by Officer Rabon to DD. Hodge. On 12-08-11 Hodge gave papers to you. When a pre-trial detainee remains in custody, he is not disrobed of his constitutional rights and laid bare for the zealous investigation of his case. He is cloaked with the presumption of innocence. Nonetheless, to allow an independant prosecution team the right to indiscriminately inspect letters written by the accused is to hack the roots of any defense. I want my papers back.

The purpose of this letter is to respond to your grievance forms that were sent in to Administration on 2-4-2012. I do not know what you are grieving because you did not make a specific complaint. I am aware that you will be served with disciplinary papers on today for the incident that you admitted to Director Spivey and I.

Thank you once again for admitting and apologizing for your involvement in the fecal matter issue that caused flooding in A Pod. We do appreciate it when detainees admit to doing things that are against policy. It causes us to be able to discipline you accordingly.

Sgt. Threatt was in main control observing them also. I turned on the intercom to see if we could hear what was being said. Detainee Keen stated to detainee Norris that he was thinking about using his bedding to stop the toilet up. Detainee Keen stated " They better clear out multipurpose room, cause I'm not gonna smell this shit again." Detainee Keen also asked detainee Norris " How did you get a cup down the toilet ?" " Did you break it up or was it a orange cup?." " Oh it was a styrofoam cup." Detainee Keen stated to detainee Norris "Here's how you do it, wet toilet paper and keep applying tooth paste to the toilet paper and it will get hard and it will stop the toilet up. " Detainee Norris was saying something that I could not make out and then I heard detainee Keen state " I'm not using my sheet, cause I sleep with it. " As I kept listening, detainee Keen stated at 0614 am " did you put something down there yet?" I could not make out what detainee Norris said. Detainee Keen then stated that he was going to use his towel but he needed that unless he could get another one. Detainee Keen told detainee Norris " just give me the go ahead and I'll start. Sgt. Threatt walked out of main control, went to intake to contact Lt. Harvey to brief him of the situation. Officer Furniss was conducting a walk thru and noticed that the drain in A-pod was over flowing with water and sewage, he instructed for me, Officer Covington to cut the water off in A-pod at that time.
