MOTION TO REINSTATE APPEAL

---

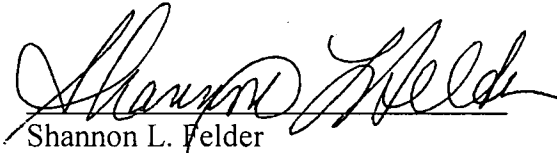

Appellant respectfully moves the Court pursuant to Rules 260 (a), SCACR for reinstatement of the above-referenced appeal. The Certificate of Service of the Record on Appeal was due on December 27, 2013. Appellant's Counsel asked Respondent's Counsel to consent to an extension of time to file the certificate of service due to decreased staffing over the holidays. Respondent's Counsel consented. The motion was prepared for submission to the Court. However, Appellant's counsel never received a filed copy of the motion and is unsure of whether this was an internal oversight or error with the postal service. However, Respondent's counsel called informed Appellant's counsel that the Court had no record of receiving the motion. Appellant's counsel called the

clerk's office to inquire regarding this, but was unable to speak with anyone personally. In an abundance of caution, Appellant's counsel filed the certificate of service on January 24, 2014 with a Motion for Enlargement of Time to File. On January 27, 2014, Appellant's Counsel received an Order of Dismissal dated January 23, 2014. Therefore, Appellant's Counsel requests that this appeal be reinstated. Counsel for Respondent has been made aware of this motion.

**WHEREFORE**, Appellant respectfully requests that this Motion For Reinstatement granted.
