

The South Carolina Court of Appeals

Midlands Math and Business Academy
Charter School, Appellant,

v.

Richland County School District One
Board of Commissioners, Respondent.

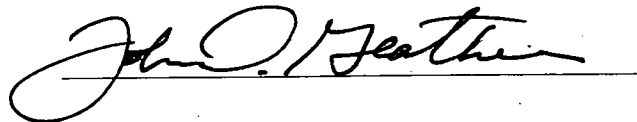

The Hon. S. Phillip Lenski
Administrative Law Court
Trial Court Case No. 2010-AL-30-00437

ORDER

Respondent has filed a motion for an expedited appeal. A motion to expedite is generally premature if made before the Record on Appeal and briefs are filed. Maner v. Maner, 278 S.C. 377, 296 S.E.2d 533 (1982).

Because the parties have not served and filed final briefs and the Record on Appeal, Respondent's motion is denied without prejudice. Either party may move for an expedited hearing once this appeal is perfected.

IT IS SO ORDERED.
