Re: *Progressive Northern Insurance Company v. Stanley K. Medlock, Corey K. Medlock and The Standard Fire Ins. Co.*
Appellate Case No. 2013-000923

Dear Ms. Kitchings:

Pursuant to your notice of January 7, 2014 regarding conflicts with dates for argument of the above referenced matter before the Court, I would advise the Court that April 14 – 18 is Spring Break for Greenville County Schools and I currently have plans to travel out of town with my wife and children to the Mountains of North Carolina from April 12 – April 19. I will certainly adjust my schedule as necessary if arguments are scheduled during this time, however, I would appreciate this pending conflict being taken into consideration in the scheduling of this matter.

Thank you for your assistance. Should you have any questions or need additional information, please do not hesitate to contact my office.

Sincerely,

Brian A. Martin
