RE: Tiffany Sanders v. The State
Appellate Case No: 2012-212858

Dear Mr. Shearouse:

I am in receipt of Petitioner's Amended Petition for Writ of Certiorari in the matter listed above. Please be advised that Respondent does not intend to submit an additional return to the Amended Petition because the issue added in the Amended Petition relating to the propriety of granting appellate review pursuant to White v State was already addressed in Argument I of Respondent's Return to Petition for Writ of Certiorari filed by Respondent on December 9, 2013. Unless this Court prefers that Respondent refile and serve its Return to Petition to Writ of Certiorari as return to the amended petition, Respondent requests that this Court consider the previously filed and served Return to Petition for Writ of Certiorari as responsive to the Amended Petition for Writ of Certiorari.

Sincerely,

Salley W. Elliott
