Dear Mrs. Kitchings, Clerk:

After receiving a response to your letter informing me and my Counsel of the deficiencies I have done incorrect, first and foremost I'm very sorry for that. But this would of never occurred if my lawyer have done as he was suppose too. Mr. Williams promise me that he would put in for my appeal soon as Judge Jack Early III rendered his decision on December 16, 2013, I came back to Richland County Court house to see if my case would be over turn. Because I'm charged with murder and received a life sentence, but I never killed anyone, but you got this youngman admitting to this murder has written two letters, I thought the Justice system was fair. But I guess not. The reason why I've took it upon myself to write you man. I ran into this youngman in here, and really spoke highly upon you. And told me to write you and see if my Attn. has filed my appeal and you will let me no. But he didn't

I'm begin the court of Appeals to please point and lead me
in the right direction. This is my life. I have a family out there
Mrs. Kitching. There was a lot of things went wrong in my trial. I need
to be granted another lawyer with this appeal. If I had the things
that you're requesting man then I would of sent them, But I don't
so what ever it takes for the court system to make Mr. Williams
file the proper paper work, please take those steps. He has back
up off of my case when he shouldn't have. Again this young man is
already been charged with murder and three attempt to murder and confessed
to killing my friend. Please help me Mrs. Kitching. Please respone back
to me upon receiving this letter letting me know what's going on. Thank
you and may God Bless you. Also forward a copy to.
