

# The South Carolina Court of Appeals

Blue Ridge Electric Cooperative, Inc.,  
Appellant/Respondent,

v.

Kathleen J. Gresham, Respondent/Appellant.

Appellate Case No. 2009-141246

---

## ORDER

---

This Court's November 5, 2013 order instructed Respondent/Appellant Kathleen J. Gresham to serve and file a designation of matter and initial brief that complied with the South Carolina Appellate Court Rules within twenty days. On December 4, 2013, which is more than twenty days, Respondent/Appellant Gresham filed with this Court a brief that did not comply with the appellate court rules. Specifically, no designation of matter was filed, the proof of service was insufficient, the brief was not double spaced, the brief was not consecutively numbered, and the brief exceeded the page limits provided by the rules. This brief is stricken in its entirety. Within ten days, Respondent/Appellant Gresham shall serve and file an initial brief and designation of matter that cures the deficiencies listed in this order and complies with the South Carolina Appellate Court Rules. Failure of Respondent/Appellant Gresham to comply with this order may result in the dismissal of this appeal.
