

To the Clerk/Jenny Abbott Kitchings.

Sorry about the inconvenience I've caused. I was unaware that I didn't have the correct information the Court requires.

I have also changed the case # to 2013-001963 as the letter you sent me in the past to show in every work I send to the court to be processed.

If there is anything wrong in this package, please inform me and give me a few days to correct what is not right.

I have very limited access to the law library here at Manning. I will do my best to do what your court ask of me, and by procedure.

I'm scheduled to be released 4/1/14, and I'm trying to get this resolved as soon as the court can review this case and rule on it.

Thanks for your time,

Sincerely

Respectfully
