Case No. 2013-000-887

Shiver v. Palmetto Health Richland, et. al

Dear Mrs. Storms:

I came to the Court of Appeals today because I didn't know when you all open because of the bad weather. I need to get a copy of the table of contents and my No. 2 Argument out of the package (I sent the Amended Initial Brief in the mail)

I need a copy of the table of content and my No. 2 Argument so that I can send a copy to the opposing attorneys. I put the original copies in the mailing and I can not find my copies. Thank you. You are in Court today

Sincerely,

Gertrude Shiver
