Dear Clerk,

First, Goodmorning / Goodevening.

Briefly, I'm confused about the problems with this case. I have serve this Proof of Service twice. I'm not slow to drafting legal documents diligently. But, however this sort of feels like I'm being hindered from presenting meritorious issues before this Court. As a matter of fact, this case is important to me because of the fact an ~~officer~~ S.C.D.C. officer ~~Classed~~ ^{Classed} me with Chemical Munition while I was eating my meal. It ended up the officer writing a fabricated Incident Report, and the whole ordeal covered. I was sanctioned disaccordly to the law and wrote up literally for nothing I done wrong. The institution cover-up the whole incident, then when I went Disiplinary hearing the hearing officer began acting very agitated, yelling at me when I asked for an extention to have two witness present, along with their statements. I was told to leave. This was not the Due Administration... This was corruption.

Furthermore, there is also an issue of outgoing mail here. By law I have right to the Due Process by Law.
