

# The Supreme Court of South Carolina

Anthony Taylor, Petitioner,

v.

State of South Carolina, Respondent.

Appellate Case No. 2013-002329

---

## ORDER

---

By order dated December 2, 2013, petitioner's notice of appeal from the denial of his fifth application for post-conviction relief (PCR) was dismissed pursuant to Rule 243(c), SCACR, based on his failure to show there was an arguable basis for asserting the circuit court's dismissal of the application as successive and untimely was improper. Petitioner has now filed a motion for reconsideration. The motion is denied.

Moreover, we hereby prohibit petitioner from filing any further collateral actions in the circuit court, including PCR actions and habeas corpus actions, challenging his 1996 convictions for possession with intent to distribute marijuana, third offense, and distribution of marijuana, third offense, without first obtaining permission to do so from this Court.
