RE: Billy Dean-Andre' Hodge vs State
Appellate Case NO. 2013-002763
Lower Court Case NO. 2012-CP-
23-3900

S.C. SUPREME COURT

Dear Supreme Court,

My name is Billy Hodge. I am writing in reference to my PCR denial. I do not recall having an attorney to represent me on these charges. I was just released from a group home where I was on multiple different medications. I was law illiterate, and did not know anything about what an appeal was. No lawyer came to debrief me before I saw the Judge. This denial is "Dishonest and unfair." As far as the statute of limitations delima goes, I was not aware of the time limit. I did not know. I was only 17 years old. For if I had known so, I would have done so. Now I serve a 20 year sentence because of an "Dishonest and unfair" denial. I do not recall the medical facility but I have been taking adderall, resperidol, and wellbutrin since my sister died. I was also in a valonia group home for boys right before this happened. Please pull these files and take a look at this. How could I know anything of this stature on these medications. I do not recall any attorney representing me. once again I say that this Denial is "Dis honest and unfair"

With Kind Regards

I Am, Billy Dean-Andre' Hodge
