**SC Court of Appeals**

Doris F. Atkinson and William E. Atkinson, Jr., .....Appellants,

v.

James A. Williams, Jr., M.D., and South Carolina  
Oncology Associates, .....Respondents.

**MOTION FOR EXTENSION**

The Respondents hereby request an extension of the deadline for serving and filing their Initial Respondents' Brief and Designation of Matter for the Record on Appeal. The current deadline is January 31, 2014, and the Respondents are requesting an extension until February 14, 2014. The grounds for this request are the following:

1. This appeal arises from a week-long trial, which produced a transcript of more than 1,000 pages.
2. The attorneys for the Respondents need a short amount of additional time to complete the Initial Respondents' Brief in this case.

2nd  
1-31  
3-3

3. There is currently a forecast of inclement weather for Tuesday and Wednesday of this week (January 28-29), which could result in office closings and other unavoidable delays.

4. The Appellants will not be prejudiced by the granting of an additional 14 days for the Respondents to submit their Initial Respondents' Brief and Designation of Matter.

5. The undersigned have consulted with the attorney for the Appellants, and he has consented to the request.

For these reasons, the Respondents respectfully request that the Court extend the deadline for filing the Initial Respondents' Brief and Designation of Matter until February 14, 2014. The Respondent further requests that the current deadline be held in abeyance while this motion is pending.

Respectfully submitted,
