COURT OF APPEALS

RETURN TO DEFENDANT'S PETITION TO DISMISS APPEAL

The Appellant hereby submits their Return to the Defendant's Petition to Dismiss Appeal and would respectfully show unto this Court as follows:

1. The Appellant, through previous legal counsel, served upon the Special Referee and counsel for the Defendant a written request for a record in this matter.
2. That Appellant requested that the hearing from which this Appeal follows be recorded by a court reporter but the Appellant's request was denied.
3. That the Special Referee has not responded in any way to the Appellant's request for a record of the hearing.
4. That the Defendant and Special Referee are well aware of the Appellant's attempts to obtain a record for this appeal and it is the opinion of the Appellant that the requests are being ignored in an attempt to thwart the Appellant's appeal.

5. That the Appellant respectfully requests that the Defendant's request to dismiss the appeal be denied and that the Special Referee be required to prepare and submit a record of this matter.

Respectfully Submitted,

Patricia Anderson
