Dear COURT OF APPEALS,

My name is

Billy Hodge. I am writing in reference to the appeal that is underway. There was absolutely no attempt to explain the nature of these offenses. I was illiterate to the law and I was on medications for being admitted to a medical hospital. Medications include: Adderall, resperidon, welbutrin. I was not aware of any legal representation. I recall being in county but never did I receive an attorney visit. IF you could please check the records you will see that this denial is truly "DISHONEST and ARGUABLE." I don't understand why MR R. MILLS Ariail, Jr is unable to set forth arguable basis. IS it because I am indigent and he is working for the state? I assure you that if I had retained him he would have found arguable basis. This is "unfair" and Dishonest. I was not debriefed on the nature of these offenses. Now I am serving a 20 yr. sentence because of this one Dishonest and unfair background charge. Could someone please check into this.

Very truly yours, Billy Hodge 16945-171
