ORDER DENYING MOTION FOR
NEW TRIAL

SALUDA CO. S.C.

THIS MATTER comes before me on motion of Defendant's counsel for a new trial.

Upon consideration, the motion is hereby denied.

Subsequent to trial in this case, the Court heard post-trial motions, including Defendant's motion for a new trial. The Court denied the motion at that time, and the reasons for doing so were stated on the record. Nothing was argued in Defendant's current motion for a new trial that makes the Court think that the post-trial ruling was improper.

Thus, for the reasons given at the close of trial, the Defendant's motion for a new trial is hereby denied.

IT IS SO ORDERED.
