Case No. 2011-GS-47-07

Antonio Emerson Tate

Appellant,

v.

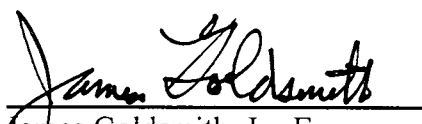

State of South Carolina,

Appellee.

MOTION FOR EXTENSION OF TIME

You are notified that ANTONIO EMERSON TATE, the Appellant, in the above action, respectfully moves for an extension of time to file his initial Brief pursuant to Rules 240 and 263. In support of his motion, Appellate respectfully states that the court reporter has advised that he has completed the transcripts that constitute the record on appeal. Appellant has only recently received the record on appeal, which is voluminous, and extra time will be required to fully explore and research all issues that could possibly be raised in this appeal. Further, Appellant advises that there are additional transcripts that may contain additional issues to raise in this appeal, which have been ordered. As a result, Appellant is respectfully requesting an extension of time for the court reporter to file the record on appeal, and for an extension of time to file the Brief.
