Re: State vs Loretta Galloway Branyon
Appellant Case No.: 2012-212801

Dear Ms. Kitchings:

Mr. Whiten has asked me to request an extension of 30 days for him to file his Record on Appeal and Final Brief for the Appellant in the above matter.

The reason for the request is that Mr. Whiten has been battling a respiratory disease since before February 1, 2014. He saw a Dr. on February 4, 2014 and was diagnosed with acute bronchitis. Thereafter, on February 11, 2014, he ran a fever of 104.6 and was transported to the AnMed Health Center Emergency Room by an emergency vehicle. He was admitted to AnMed Health Center and diagnosed with pneumonia. From the onset of the medical urgency, he has suffered from a chronic cough which has still not been totally resolved as of this date.

His fever has finally, just yesterday, been brought to normal limits.

He was discharged this morning at 10:30 a.m. with directions to get plenty of rest and take medication prescribed.

Therefore, he respectfully request 30 days to complete the Record on Appeal and Appellant's final brief.

With this extension the Appellant's Record on Appeal and Final Brief would be due on or before March 19, 2014.

Thank-you for your courtesies in this matter.

Sincerely,

Carla R. Whiten
